

**Attention: Scholars, Activists, Students and Community Members**

## **Call for Submissions:**

# **Journal for Critical Animal Studies**

*a Project of the Institute for Critical Animal Studies (ICAS)*

**The goal of this online, free, peer-reviewed Journal, is to promote critical scholarly work on the areas of liberation, freedom, rights, ethics, inclusion, intersections, education, social movements, conflict, crisis, ethnicity, culture, education, tactics, strategies, domination, control, identity, experimentation, agriculture, dissection, inclusion, repression, punishment, retribution, globalization, economics, ecology, security, activism, and social justice.**

**We are seeking research articles and essays and/or student final papers, including:**

**course/class summaries**	**research notes**	**commentary**	**tactic and strategy analysis**
**academic development**	**lecture summaries**	**conference summaries**	
**protest summaries**	**action alert summaries**		
**film, book, art, and media reviews**	**interviews and dialogues**		
**poems and other forms of expression including MP3s and youtube videos**			

### **Review Process**

Upon acceptance for review, the Journal for Critical Animal Studies editors will send manuscripts under a peer reviewed process, (to no less than two, and generally three reviewers). Reviewers provide their recommendations to the editor, who makes the final decision to accept the manuscript.

**For style guidelines visit the website:**  
[www.criticalanimalstudies.org](http://www.criticalanimalstudies.org)

***Submissions will be assigned to one of the four following categories:***

accept without revisions | accept with editorial revisions | revise and resubmit for peer review | reject

***Every effort will be made to inform authors of the editor's decision within 100 days of receipt of a manuscript. The Journal for Critical Animal Studies only publishes original materials. Please do not submit manuscripts that are under review or previously published elsewhere.***

**Send Submissions To:**  
**Dr. Richard White, Editor**  
**[Richard.White@shu.ac.uk](mailto:Richard.White@shu.ac.uk)**
