## DEVELOPMENTAL UPDATES

The 2015 ICAS Executive Board is the most active and well organized board yet engaged and busy with about three meetings a month and putting in each member about five hours a week in maintaining the activities of ICAS, reworking our Bylaws, making for the first time an ICAS Manual for those involved with organizing with ICAS, website updates, developing a history of ICAS, re-focusing our mission and goals, and finally streamlining to acknowledge we cannot be everything for everyone and do everything and we hope that others pick up, where we leave off.

ICAS is a community based scholarly radical center organized by activists to promote total liberation and intersectional dialogue. ICAS is a proud supporter of the Animal Liberation Front. Please stay tune for more restructuring as 2015 is the year to finally tune ICAS.

Until all are free ...
