

Hello Friends of ICAS,

We are growing always with new members and volunteers. We are developing regular monthly meetings with all the continental chapters of ICAS facilitated by Carolyn Drew.

Also we have a few publications coming out so please stay tuned on our website and Facebooks.

To be more specific so we promote and explain who we are and what we are not and what ICAS and CAS is, please see our mission statement:

*The Institute for Critical Animal Studies (ICAS), rooted in animal liberation and anarchism, is an intersectional transformative holistic theory-to-action activist led based organization to unapologetically examine, explain, be in solidarity with, and be part of radical and revolutionary actions, theories, groups and movements for total liberation and to dismantle all systems of domination and oppression, in hopes for a just, equitable, inclusive, and peaceful world.*

The 1st Annual Anarchism, Crime, and Justice Conference is coming up and will be held at Fort Lewis College, Durango, CO. <http://savethekidsgroup.org/call-for-presentations-1st-annual-anarchism-crime-and-justice-conference/>

The 15th Annual North American Conference for Critical Animal Studies will be at Fort Lewis College, Durango, Colorado November 12 and 13, 2016. The Call for Presentations will come out soon.

And don't forget we are a proud supporter of the Animal Liberation Front and challenge those that claim the ALF as violent.

Until all are free ...
