Theme:

Abolition, Liberation, and the Intersections within Social Justice

For Schedule: www.criticalanimalstudies.org

As the field of critical animal studies quickly grows into a respected international discipline there emerges sub-fields, topics, subjects, debates, dialogues, forums, programs, working-groups, and degrees, all aiding in the abolition of animal oppression and domination and freedom for all.

Join us for a day long conversation about animal freedom with academics, advocates, and community leaders.

Registration:

\$15.00, Vegan Lunch, Free for Cortland Students
